FiberPRO® Red `N` Brown Out Stain Remover

Red Stain / Tannin / Debrowner Treatment
This highly concentrated product is formulated for maximum performance. It is very effective against stubborn stains from coffee, tea, urine, fruit juices, red wine and red soft drinks. When diluted, this product is an excellent carpet debrowner. Red 'N' Brown Out also neutralizes any alkalinity or detergent residue left behind to help prevent future browning.

Features

Eliminates browning caused by alkaline build-up from shampoo residue.
Powerful - Dual acid formula.
Removes difficult, stubborn stains.

Available In

4 - 1 Gal. Bottles Item #41904-00

12 - 16 oz. Bottles Item #41918-00

Directions for Use

Be sure to test in an inconspicuous area before using.
SPOT removal (RED STAIN AND TANNIN TREATMENT): Apply directly to spot. Allow to set for 5 - 10 minutes. Blot with an absorbent white cloth. Apply #3 Betco Alkaline conditioner to the spot to neutralize the pH. Extract or shampoo the area. Vacuum when dry.
