Symplicity™ Green Earth® Machine Detergent

Machine Detergent Concentrate
Highly concentrated, 100% active metal safe, non-phosphate solid detergent that can be used on both high temperature and low temperature dish machines. Soil suspension agents and water conditioners combat challenging water conditions and promote free and complete rinsing at the same time preventing lime deposits on dish machine interiors. Safe to use on aluminum, copper, pewter and other soft metals or delicate ware.

Features

Compact Solid – Compact size increases hand ability and storage
Economical, 100% active ingredients, No Waste, Saves Money
Low Environmental Impact - Rapidly biodegradable contains low VOCs, no phosphorus, , APEs, or NPEs
Solid Concentrate – Economical, Saves Money
Versatile – Works in both High and Low Temp Dish machines

Available In

4 - 5 Pint Jars Item #24073-00
