Stainless Steel Cleaner and Polish

Aerosol that Cleans and Brightens Stainless Steel
This oil-in-water emulsion represents the best combination of ingredients for the removal of both water and oil-based soils, stains, and spills. In addition to a deep clean, this product cleans, polishes, brightens, and protects stainless steel in one step. Ideal for all brushed and high-gloss metal surfaces.

Features

Cleans, polishes, brightens and protects
Polishes easily, leaving no greasy film
Convenient easy-to-use package

Available In

12 - Aerosol Cans Item #06523-00

Directions for Use

DIRECTIONS: Hold can upright. Press button and spray a small area until wet. Use sparingly. Clean with one cloth and polish with a clean, dry cloth. Not to be used on cooking utensils, such as pots, pans, knives, forks or spoons.
