Symplicity™ Blaze Machine Detergent

Concentrated Solid Machine Detergent
Highly concentrated, 100% active solid detergent for use in both high temperature and low temperature dish machines. Soil suspension agents and water conditioners combat challenging water conditions and promote free and complete rinsing at the same time preventing lime deposits on dish machine interiors. Compact packaging reduces storage and the proprietary jar with molded handle makes it easy to use.

Not available for sale in New York, New Hampshire, Maryland and South Carolina.
