Symplicity™ High Temp Rinse Aid

High Temperature Rinse Aid
Premium concentrated rinse additive increases dish room productivity with unparalleled sheeting action leaving dishware and utensils spotless. The proprietary blend of dispersal agents and water conditioners are effective in the widest variety of water conditions. Low foaming formula increases dish machine efficiency by controlling foam in the wash tank.

Features

NSF International Certified for use in all regulated food processing and food service environments.
Hard Water Effective - Improved Performance
SureConnect – No Contact, No spills, enhances safety and more
Accelerates Drying - Labor Saving, increased productivity
Controls Foaming - Improved Machine Performance & Efficiency
