Genie® B Automatic Scrubber

14" All-Purpose Automatic Scrubber

Genie® B brings the benefits of automatic scrubbing to small and congested areas that are hard to clean with traditional equipment. Battery operated and compact this machine can virtually replace the mop and bucket to provide more effective and efficient cleaning. The standard nylon cleaning brush transitions from smooth to textured floors making it perfect for schools hospitals retail or any institution that wants a better clean!

Features

Compact size goes where other equipment can't.
Disassembles in seconds for easy storage and transport.
Ergonomic design with fully adjustable handle.
Hands free brush installation and removal.
Low 65dB noise level perfect for use in occupied spaces.
Onboard charger with maintenance free gel battery.
Parabolic squeegee leaves floors dry.
Provides better cleaning for a healthier environment.
Rotary brush action effectively cleans multiple floor types.
