

Lil Bertha® Stripping Machine

24" Propane Stripping Machine

Betco provides the most productive stripping machines available today. Built with a tough steel frame and a reliable 603cc Kawasaki V-Twin engine this propane powered machine provides the performance and durability required to quickly handle large areas and excessive finish build ups.

Features

A wide 24" stripping path maximizes productivity.
Floating shroud contains stripper solution and prevents splashing.
Powerful 603cc Kawasaki V-Twin engine for maximum stripping performance
Rugged powder coated steel construction for heavy use in tough environments
Triple counter-rotating brushes easily remove multiple layers of floor finish in a single pass.
