

Crete Rx™ Cleaning Pad, 20", Orange (5/case)

Directions for Use

Applications

Crete Rx Cleaning Pad

Sealant Infused (SI) Cleaning Pads take polished concrete maintenance to the next level and are a part of the Crete Rx Honing and Polishing prescription pathway. SI pads continually fill porous concrete with sealant, pushing the sealant into the concrete itself, not a topical film. This provides excellent protection and deep gloss without floor finish. Paired with Densiclean, SI Cleaning Pads suspend the toughest soils while strengthening the surface.

Features

- Infuses concrete or terrazzo floor with sealant to fill pores
- Improves gloss and protection
- Circumvents the need for a topical film
