# Never B4™ Vehicle Cleaner

**Heavy Duty Vehicle Cleaner**
Never before has vehicle cleaning been this easy. This product is designed to be used through a pressure washer to quickly remove dirt, oil, grease, road film and exhaust from aluminum or painted surfaces without attacking the surface. A special ionic detergent system quickly floats away road film without the use of brushes or other manual devices.

**Features**

Concentrated proprietary blend of cleaning detergents
Quickly breaks down and suspends dirt, oil, grease, road and exhaust film
Leaves windows and chrome spotless and streak free
Sheeting action does not leave a film or residue

**Available In**

5 Gal. Pail Item #50205-00

55 Gal. Drum Item #50255-00

**Directions for Use**

Use through a pressure washer to quickly remove dirt, grease, road film and exhaust from aluminum siding, buses and trucks.

Pressure washer cleaning:
Dilute 5 oz. /gal. or 40 mL/ L (1:25) with water for removal of heavy soil or traffic film .
Dilute 1 1/4 oz./gal. or 10 mL/L (1:100) for light soil.

NOTE: While this product is safe for use on aluminum and painted surfaces when diluted as directed, it may remove wax from surfaces. After cleaning aluminum siding on buildings, be sure to rinse shrubs and other landscape plants with clear water.
