Symplicity™ Built Laundry Detergent

Alkaline Boosted Detergent
Ultra-Concentrated blend of alkaline stable anionic and nonionic surfactants, soil suspending antiredeposition agents, water conditioners and optical brighteners in an alkaline base. The enhanced nonphosphate formula eliminates the need for a break or builder for most laundry applications and is effective over a broad range of temperatures and water conditions. Symplicity Built Detergent is compatible with the complete Betco laundry product line. Recommended use for all fabrics except wool and silk

Features

Contains Anti-Redeposition Agents – Prevents Graying Dulling
