Betco® Brite MSP Multi-Surface Polish

High Gloss Multi-Surface Polish and Protectant
This product cleans, polishes, and protects fine furniture, woodwork, vinyl, plastic, leather, stainless steel, and Formica®. A multi-purpose product, Betco® Brite easily removes old wax build-up, fills in minor scratches, and rubs out quickly to a clear, bright, hard shine.

Features

Cleans and protects many surfaces
Natural lemon oil provides a fresh fragrance
Protects surfaces against fingerprints and smudges

Available In

12 - 32 oz. Bottles Item #15512-00

55 Gal. Drum Item #15555-00

Directions for Use

Recommended for use on fine furniture, all woodwork, vinyl, plastic, Formica®, leather and metal. Spray onto flat surface. Wipe immediately with a soft, clean cloth until surface is clean and shiny.
For vertical surfaces, or if used next to upholstery, spray directly onto cloth, then polish.
Note: Do not spray or use on floors because it could leave them slippery. Keep container closed during storage. Do not return unused product to original container.
