Crete Rx™ SI Cleaning Pad, 15", Orange (5/case)

Crete Rx SI Cleaning Pad
Sealant Infused (SI) Cleaning Pads take polished concrete maintenance to the next level and are a part of the Crete Rx Honing and Polishing prescription pathway. SI pads continually fill porous concrete with sealant, pushing the sealant into the concrete itself, not a topical film. This provides excellent protection and deep gloss without floor finish. Paired with Densiclean, SI Cleaning Pads suspend the toughest soils while strengthining the surface.

Features

Infuses concrete or terrazzo floor with sealant to fill pores
Improves gloss and protection
Circumvents the need for a topical film
