Available In

50 lb Pails Item #56550-00

Directions for Use

TOP LOADING AUTOMATICS:

Add laundry and detergent to washer and fill with water. When machine starts to agitate, add 2 ounces of powdered bleach.

FRONT LOADING WASHERS:

Add 2 ounces of product and fill part way with water. Stop machine and add laundry and detergent.

STAIN REMOVAL:

Dissolve 1 ounce of powdered bleach in one half gallon of water. Soak stained fabric 5 to 15 minutes then rinse and wash.

NOTE: Do not use on silk, wool, acetate or non-colorfast fabrics.

TEST FOR BLEACHABILITY: Cut a small piece of fabric from a seam and drop into solution of one teaspoon of powdered bleach and one cup water. Leave in solution for a few minutes. If discoloration occurs, the fabric cannot be safely bleached.

FOR BEST RESULTS: ALWAYS READ GARMENT MANUFACTURER'S LAUNDERING INSTRUCTIONS BEFORE WASHING. STORE IN A DRY PLACE. CLOSE PLASTIC BAG AFTER USE.
