# Crete Rx™ SI Cleaning Pad, 13", Orange (5/case)

**Crete Rx SI Cleaning Pad**
Sealant Infused (SI) Cleaning Pads take polished concrete maintenance to the next level and are a part of the Crete Rx Honing and Polishing prescription pathway. SI pads continually fill porous concrete with sealant, pushing the sealant into the concrete itself, not a topical film. This provides excellent protection and deep gloss without floor finish. Paired with Densiclean, SI Cleaning Pads suspend the toughest soils while strengthining the surface.

**Features**

Infuses concrete or terrazzo floor with sealant to fill pores
Improves gloss and protection
Circumvents the need for a topical film
