FiberPRO® Red `N` Brown Out Stain Remover

Red Stain / Tannin / Debrowner Treatment
This highly concentrated product is formulated for maximum performance. It is very effective against stubborn stains from coffee, tea, urine, fruit juices, red wine and red soft drinks. When diluted, this product is an excellent carpet debrowner. Red 'N' Brown Out also neutralizes any alkalinity or detergent residue left behind to help prevent future browning.

Features

Eliminates browning caused by alkaline build-up from shampoo residue.
Powerful - Dual acid formula.
Removes difficult, stubborn stains.
