

Grease Trap and Drain Cleaner Blocks

Grease Trap and Drain Cleaner Blocks

Simple and easy to use, as Grease Trap and Drain Cleaner dissolves it releases beneficial bacteria into the drain or grease trap to digest FOG and maintain clean, free-flowing systems. Grease Trap and Drain Cleaner is formulated with targeted surfactants that loosen food particles and grease deposits so that the bacteria can quickly begin digesting those organic wastes.

Features

- Extended release block for continuous treatment eliminates the cost of daily or weekly treatments
- Saves money by reducing the frequency of manual cleanouts, preventing blockages, and lowering grease disposal costs
- Reduces malodors associated with organic waste and sludge

Available In

Grease Trap and Drain Cleaner Blocks -64 pucks in 8 ind. Boxes (2 1/2" x 8 oz.) Item #Z320C14-00

Directions for Use

GREASE TRAPS: Use 6 to 8 Grease Trap and Drain Cleaner blocks per 50 gallons capacity weekly. For high grease volume, increase dosage. This rate may be adjusted according to desired results. For large traps and specific dosing and application information, please contact your Betco representative.

DRAINS: Place puck as close to the sink drain as possible, replace when block is depleted. (See Video)
