Read the entire label before using this product. Dispense two pumps of product onto palm of hand and scrub thoroughly over all surfaces of both hands. Rinse with clean water.

The Safer Choice label signifies that the product's formula, as Betco Corporation has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Betco Corporation, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Betco Corporation's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.
