

Green Earth® DT 7 Enzyme Drain Maintainer

Drain and Grease Trap Cleaner and Maintainer

Green Earth & BioActive Solutions™ DT 7 contains a blend of microbial species that degrade grease and short and long-chain fatty acids that are the root cause in clogging drain lines and grease traps. The proprietary nutrient package greatly reduces the production of Hydrogen Sulfide odors and other foul odors that are commonly associated with anaerobic environments.

Features

- NSF International Certified for use in all regulated food processing and food service environments.
- 700 Billion CFU per gallon
- 3.5 x the industry standard CFU per gallon
- Won't damage pipes or traps
- Neutral formula that doesn't contain caustics or acids; safer for the end user
- Can be applied manually or using a Betco & automatic dosing system
- Contains aerobic and facultative anaerobic strains

Available In

4 - 1 Gal. Bottles Item #260004-00

5 Gal. Pail Item #260005-00

12 - 32 oz. Bottles Item #260012-00
