

StreetShoe® NXT Floor Finish

Two Component Waterbased Wood Floor Finish

Due to supply disruptions, we are currently offering an alternative product, StreetShoe OPT. Please contact your local representative for more information.

StreetShoe® NXT Waterbased Wood Floor Finish with XL Catalyst is a waterbased system formulated especially for high traffic wood floors. It provides a clear finish that remains unmatched in performance and durability. StreetShoe NXT contains special UV inhibitors that provide even more protection for your floor from the sun's harmful rays.

Features

- Nano Technology for Extreme Durability
- High Build Formulation
- 275 VOC: LEED compliant
- Fastest cure available; 90% cured in 24 hours
- Apply directly over Stain; Easy to apply
- UV Inhibitor minimizes sunlight-related color changes
- Four sheens (Super Matte, Satin, Semi-Gloss, Gloss)
- Ultimate in durability

Available In

Gloss 4 - 1 Gal. F-Style Item #B1664-4312
