Squeaky™ Replacement Microfiber

Basic Coatings microfiber pads are specifically designed to remove dust and other loose debris while working in concert with Basic Coatings Squeaky Cleaner. For best results launder microfiber mops after heavy use with any common laundry detergent but avoid the use of fabric softeners.

Features

Basic's Microfiber pads have superior dust pick up when compared to a terry cloth mop. Squeaky™ Replacement Microfiber Pads come in 5 (2 packs) per case for a total of 10 per Case.
