

Odor Control

Odor Control and Fragrance Neutralizer

Odor Control is a highly concentrated formula designed to combat malodors from many different sources. This powerful formula brings three levels of attack to knock down strong odors – a high-count blend of bacteria chosen specifically for their ability to break down odor-causing compounds, a highly effective odor counteractant to provide immediate neutralization of the odor itself, and a fresh citrus fragrance to mask and replace the odor.

Features

Effective against a wide variety of odor types and sources
 Highly concentrated dilutable formula for a wide range of dosing and applications
 Can be automatically dispensed or manually applied

Available In

5 Gal. Fort Pack Item #FML2051FP5

55 Gal. Drum Item #FML2051D55

Directions for Use

Shake before use.

Dosing rates are dependent on temperature, pH, and content of the wastewater. Please contact your EnviroZyme representative for application-specific dosing recommendations and a referral to a distributor.

Tech Specs

Bacteria Count	4,000 Billion CFU per gallon
Bacterial Type	Non-Pathogenic Microbes
DSL	No
Color	White
Fragrance	Citrus
Gram Negatives	Not Present
pH	6.0 - 9.0
Temperature Range	20 - 40 Celsius
Warranty	1 Year
Storage Temperature	10 - 20 Celsius
Storage Humidity	30 - 60%
