

# CM30 Concrete Maintainer

## 30" Concrete / Terrazzo Maintainer

The Crete Rx CM30 is your small investment key to unlocking huge profits or massive savings. This 30" concrete maintainer is perfectly designed to work with Betco's exclusive Crete Rx concrete system and the profits or savings pays for the machine in as little as the first 10,000 sq ft!

### Features

- Three counter-rotating, high RPM satellite tool drivers
- Aggressive, 330 lb down pressure
- Priced at over 40% less than traditional concrete polishers
- Smaller, lighter-weight for easier maneuverability and transport
- Simple operation requires little training
- Safe, EPA / CARB certified emissions
- Industry-leading, 3-year warranty

### Available In

**CM30 Concrete Maintainer Item #E29805-00**

**CP30 Concrete Polisher, Heavy Duty Item #E29810-00**

### Directions for Use
