## Emulsifying Detergent - New and Improved!

Concentrated blend of detergent and naturally occurring solvents formulated to emulsify organic grease oil and food soils on restaurant linen, uniforms and polyester material. Can be used as a prewash for grease and oil, or added to the normal wash cycle. Emulsifier is effective in low wash temperatures, and safe to use on colored linen.

### Features

Effective Cleaning – for table linens and polyesters  
Contains natural solvents – will not harm environment or linen  
Low temperature detergent – effective in both warm and hot water  
SureConnect – No Contact, No spills, enhances safety and more  
Liquid Concentrated – Economical, Saves money  
Pleasant Citrus Fragrance
