Features

Easy to Apply
Revitalizes Dull Floors
Durable Water Based Urethane Coating
Green, Low VOC

Available In

6 - 32 oz. Oval Bottles Item #B1830-1612

Directions for Use

APPLICATION PROCEDURES

Step 1 (Clean) : Vacuum or mop debris off the floor. Next, clean the floor with Squeaky Cleaner from Basic Coatings and a microfiber mop. This step may need to be repeated to thoroughly clean the floor. Allow the floor to dry.

Step 2 (Apply) : Rock product several times to mix contents. Squirt Basic Coatings Hardwood Floor Refinisher on to the floor and spread evenly across the floor with a clean microfiber pad. Work in small sections and smooth the product out in the direction of the wood grain.

Step 3 (Dry) : Allow to dry for a minimum of 1 hour before walking on the floor. Wait 24 hours before heavy traffic and furniture replacement. A second coat may be applied after 2 hours.

TIPS FOR SUCCESS

- Do not use on floors that have been previously oiled or waxed. Always test in a small area to ensure adhesion.
- Coat the entire floor or room to ensure an even appearance. This product's gloss range may be different than the current gloss level of your flooring.
