Applications

4 Product Locking Chemical Management System

The most durable, versatile and simple 4 bay locking chemical management system on the market. The durable locking exterior is matched by a robust 3 point lock for each door and hinges that will stand the toughest cleaning environment. The dispenser is designed to dispense to bottles or buckets from each bay and can be mounted in a corner or flat walls. Filling quart bottles has never been more simple, slide the fill tube into the bottle and push up.

Features

- Durable construction handles the toughest environments.
- 3 Point locking doors to prevent tampering or theft.
- Space saving design - mounts on either a flat wall or in a corner.
- Bottle or Bucket Fill from each bay.
- Simple One-Hand bottle fill - lift-n-fill
