

FiberPRO® Gum Remover

Gum Remover

Quickly and easily removes chewing gum, candle wax and other gummy substances. The fast-freezing action of this gum remover simplifies clean up by freezing the gum so that it can be popped off with a putty knife. May be used on most surfaces. No other product will work as fast or as effectively.

Features

Convenient aerosol is easy-to-use.
Does not leave a residue.
Allows for much quicker clean gum up than with messy solvents.
Fast freezing action hardens gum or wax for quick removal.

Available In

12 - Aerosol Cans Item #00923-00

Directions for Use

DIRECTIONS: First remove all material possible with a scraper or dull knife. Then hold container about 2 inches from substance and spray with a 5 to 10 second blast. While material is hard and brittle, scrape rapidly with a dull knife or scraper; repeat as necessary.
