

FiberPRO® P•O•G Paint Oil and Grease Remover

Paint, Oil and Grease Remover

Oily, sticky or waxy materials can be most difficult to remove from carpet and upholstery. This special product utilizes natural citrus solvents that are highly effective at removing most common oil based stains, paint, gum and waxy materials. Once the staining material is removed, rinse with water for more effective cleaning and removal of all soil types.

Not available in California.

Features

Versatile - Removes a wide variety of stains.
Effective - Powerful natural citrus solvents cut paint, grease, and oil for fast easy removal.
Rinses easily and completely with water.

Available In

12 - 16 oz. Bottles Item #41718-00
