

No Rinse Floor Cleaner 5X

Continuous clean floor care

Greasy floors are slippery, dangerous and difficult to clean. No Rinse Floor Cleaner 5X contains enzymes to jump start the attack on grease and oil, as well as targeted bacteria and organic compounds that complete the cleaning process. This approach results in a turn-key product that provides quick initial results with subsequent continuous cleaning and deodorizing. No Rinse Floor Cleaner 5X deep cleans, removing embedded residual grease and organics especially in porous tile, cracks, crevices, and corners. No Rinse Floor Cleaner 5X continues to work when washed down the drain, digesting grease and organics as it flows through the pipes into the sewer or septic system where the bacteria continue to remediate fats, oils, greases and other organic matter. No Rinse Floor Cleaner 5X contains no chlorine or phosphates.

Applications: Restaurants, Food preparation areas, Cafeterias, Grocery stores

Features

- Degrades grease and organic build-up
- Great for hard to clean porous tile
- No-rinse formulation
- Eliminates odors
- No harmful vapors

Available In

55 Gal. Drum Item #SCL805D55

Directions for Use

- Shake before use. Step 1. Wipe up any spills and sweep floor
- Step 2. Fill mop bucket with cool water
- Step 3. Add 2-4 ounces of No Rinse Floor Cleaner 5X per gallon of water
- Step 4. Using a clean mop, apply solution to floor
- Step 5. Wait several minutes to allow sufficient contact time
- Step 6. Using deck brush, scrub floor
- Step 7. Squeegee to floor drain or mop up excess solution
- Step 8. Allow to air dry. Do Not Rinse

Tech Specs

Bacteria Count	4,000 Billion CFU per gallon
Bacterial Type	Non-pathogenic microbes
DSL	Yes
Color	Green
Fragrance	Citrus
Gram Negatives	Not present
pH	6 - 9.5
Temperature Range	20 - 40 Celsius
Warranty	1 Year
Storage Temperature	10 - 20 Celsius
Storage Humidity	30 - 60
