## Max Scent Urinal Screens

Take restroom maintenance to the next level with the new Max Scent Urinal Screens. Designed to ensure optimal hygiene, odor control, and splash prevention, these screens are built for high-traffic restrooms that demand long-lasting performance.

## Features

Patented technology delivers 3X more fragrance than conventional urinal screens.

Use as a part of a comprehensive restroom program that includes Betco® disinfectants, restroom cleaners, and probiotic odor control.

Two-sided design eliminates 97% of splash back no matter which side the screen is placed.

Contains billions of probiotic bacteria to digest waste and completely eliminate odors, while keeping drains clean and smelling fresh

Also available in Spectaculoso scent

Perfect for both water and waterless urinals
