Anti-Splash Urinal Screen Citrus

Anti-Splash Urinal Screens
Create cleaner and healthier restrooms with Betco's Anti-Splash Urinal Screens. Reduce the spread of germs and odors in urinals while leaving behind a long lasting fragrance. Patented Micro-Tubed Technology allows the heat activated plastic pores to open with concentrated fragrance when in contact with urine.

Features

Reduces the spread of germs and keep urinals cleaner longer
Transform your public restroom with vibrant colors and fragrances: Ocean Breeze, Citrus, and Lavender
Enzyme powered urinal screen prevents malodors
Designed for high traffic public restrooms
Flexible construction allows proper fit to any urinal to prevent debris
Perfect for water and waterless urinals
100% Recyclable, VOC Compliant, and No CFCs

Available In

60 - Screens Item #988D7-00

Directions for Use

Remove the urinal screen from the box. Remove plastic wrapper. Place screen into the urinal making sure the drain is protected. Replace with new screen every 45+ days or when fragrance runs out.
