

Fastdraw Foamer II

Directions for Use

Applications

Portable Durable Foam Gun

A durable foam gun that utilizes Betco's exclusive FASTDRAW products. Features include a surecomfort™ grip handle, spray and rinse capabilities, and adjustable spray patterns. The foam gun generates rich and thick foam for cleaning vertical surfaces that makes it ideal for shower and kitchen cleaning.

Features

- Accupro™ Pressure Regulation Technology
- Surecomfort™-Grip Handle
- Secure locking button
- Optional Spray attachment
- Added strap provides additional bottle stability
- Easily replaceable parts
- Produces thick rich foam for extended contact on vertical surfaces
