

# FOREMAN® AS26HD

## 26" Heavy Duty Automatic Scrubber

Betco Foreman™ heavy duty automatic scrubbers are built rugged for heavy use in tough environments.

### Features

Dual pad drivers maximizes scrubbing performance.  
Powder coated steel frame and roto-mold tanks stand up to heavy use in tough environments.  
Powerful 36-volt system.  
Self propelled, variable speed, forward and reverse.  
Sleek body design features simple controls and reduced component exposure.  
Weighted squeegee provides effective water recovery.
