

# OXYFECT G

## Peroxide Disinfectant Cleaner

Don't just disinfect... OxyFect™. Perfect for use throughout any facility. pH balanced formulation makes it safe for use on glass, floors, and restrooms. Super-concentrated product is used at 2 oz. per gallon for low end user cost while still providing broad-spectrum kill claims.

### Features

Kills Antibiotic organisms - MRSA, CA-MRSA and VRE.  
Neutral formulation will not tarnish sensitive surfaces like competitive products.  
Economical formulation - use at 2 ounces per gallon for cleaning and disinfecting applications.  
Versatile product can be used throughout the facility.

### Available In

4 - 1 Gal. Bottles Item #38204-00

5 Gal. Pail Item #38205-00

4 - 2 L Fast Draw Item #38247-00

55 Gal. Drum Item #38255-00

### Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is not for use in residential settings. This product contains hydrogen peroxide. This product must not be mixed or stored with products containing ammonia, bleach, or other oxidizing agents. Contact with metals, metal ions, wood dust, or wood shavings may cause product decomposition.

### CLEANING / DISINFECTION / DEODORIZING

**DIRECTIONS:** For Cleaning, deodorizing and disinfecting, dilute 2 oz. of concentrate per gallon of water (1:64). Cleaning may be accomplished with a clean mop, sponge, squeegee, wet vacuum system or a trigger spraying device. Spray 6 - 8 inches from the surface to be treated, thoroughly wetting the surface. After cleaning, remove suspended soils with a clear water rinse, vacuum pick up, or by wiping with a clean mop, sponge, squeegee, or cloth or allow to air dry. Do not breathe spray. Prepare a fresh solution for each use, sooner if the solution becomes visibly diluted or soiled. Allow surfaces to remain wet for 10 minutes.

**TO CLEAN TOILET BOWLS / URINALS:** Swab bowl with brush to remove heavy soil prior to cleaning. Clean by applying use-solution around the bowl and up under the rim. Stubborn stains may require brushing. Pour in 2 oz. of the use-solution. Swab the bowl completely using a scrub brush or mop, making sure to get under rim. Let stand for 10 minutes. Rinse by flushing.

**GLASS CLEANING:** Dilute 1 oz. of product per gallon of water. Spray onto glass surface. Use through a coarse hand pump trigger sprayer device. Do not breathe spray. Wipe dry with an absorbent cloth or towel.

### Tech Specs

Color	Colorless
Detergency	Excellent
Fragrance	Fresh Mint
Freeze/thaw	Stable
pH concentrate	6 - 8
pH diluted	6 - 8
Foaming	Moderate
Wetting	Excellent
Rinsability	Excellent
EPA Reg. No.	4170-100
Warranty	0.5 years
