Optima XR – 21 inch Propane Burnisher

Optima XR Propane Burnisher – 21 inch
The new Optima XR (Xtended Run) propane burnisher saves a truckload of propane versus leading competition while delivering top-of-class performance. Betco's exclusive fuel delivery system increases fuel efficiency and can reduce operating costs up to 21% or $1,100.00 annually. Combine this with simple operation, easy maintenance and an industry-leading warranty and it is the highest value propane burnisher on the market.
