

Stealth ASD26BT

Automatic Scrubber w/ Traction Drive

Stealth ASD26BT with Traction Drive features the new innovative design with Stealth Noise Reduction Technology making it 4 times quieter than other standard automatic scrubbers. Other standard features include rugged weighted squeegee assembly which helps reduce slip and fall injuries, user friendly controls, and tanks that are easy to drain and clean. A pad driver, battery pack, and charger are included.

Features

Quiet! Double sound insulated vacuum
Rugged weighted squeegee removes water to reduce slip and fall injuries
User friendly controls and gauges
