Liquid Chisel Max Non-Butyl Degreaser

Ultra Strength Non-Butyl Degreaser
Formulated with a revolutionary surfactant, Liquid Chisel offers versatility and unbeatable strength. This product cuts through fats, oil, and grease-based solids, performing proficiently in varying water temps and mineral levels. By adjusting the dilution rates, Liquid Chisel is suitable for heavy and light duty cleaning. This product is also certified by NSF International as safe for use in regulated food processing and food service environments.

Features

NSF International Certified for use in all regulated food processing and food service environments
Concentrated to work in light to heavy duty cleaning
Quickly penetrates fats, oils and grease based soils
Works well in hot, cold, hard or soft water
No harmful vapors or toxic solvents

Available In

4 - 1 Gal. Bottles Item #14504-00

275 Gal. Disposable Tote Item #14527-00

55 Gal. Drum Item #14555-00

Directions for Use

This ultra strength degreaser is perfect for cleaning concrete, floors, walls, machinery, engines, and a variety of other water washable industrial surfaces soiled with heavy grease or oil. Not recommended for cleaning glass. Dilute with water for general maintenance.
LIGHT SOIL: Dilute 1.25 oz./gal. or 10 mL/L (1:100) with water.
MODERATE SOIL: Dilute 3 oz./gal. or 23 mL/L (1:43) with water.
HEAVY SOIL: Dilute 13 oz./gal. or 100 mL/L (1:10) with water.
